

HOGDescriptor::HOGplot

```
graph LR; A[HOGDescriptor::HOGplot] --> B[HOGDescriptor::cellHistogram]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'HOGDescriptor::HOGplot'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'HOGDescriptor::cellHistogram'.

HOGDescriptor::cellHistogram
